Short Course System

Students can access online short courses through the Short Course Online System and view document files.

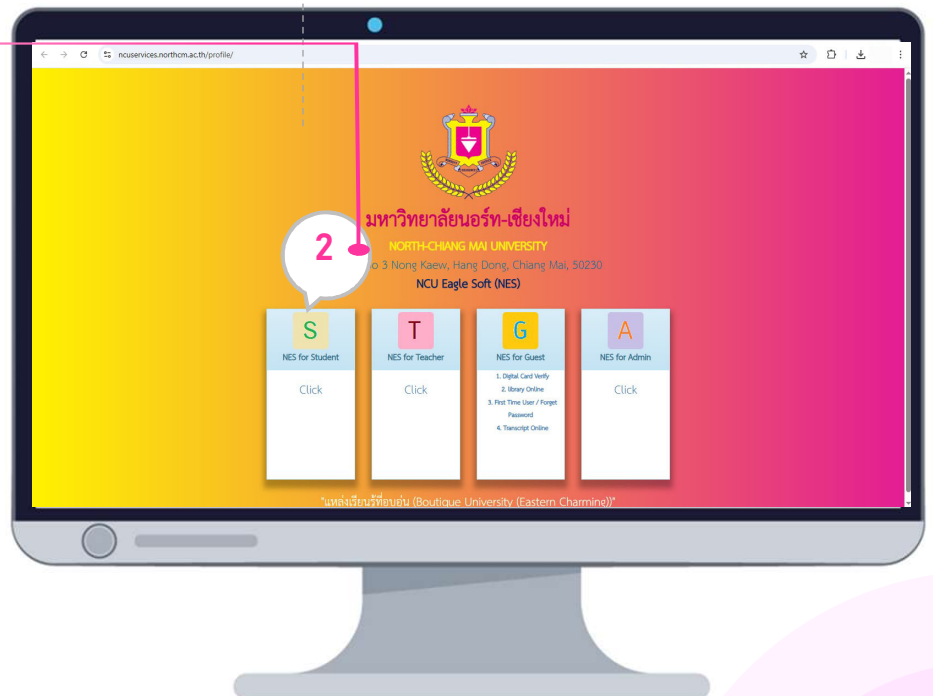

Website Access

Launch your web browser and navigate to the North-Chiang Mai University website at <https://www.northcm.ac.th/>. Subsequently, click on the "NCU Eagle soft(NES)" menu.

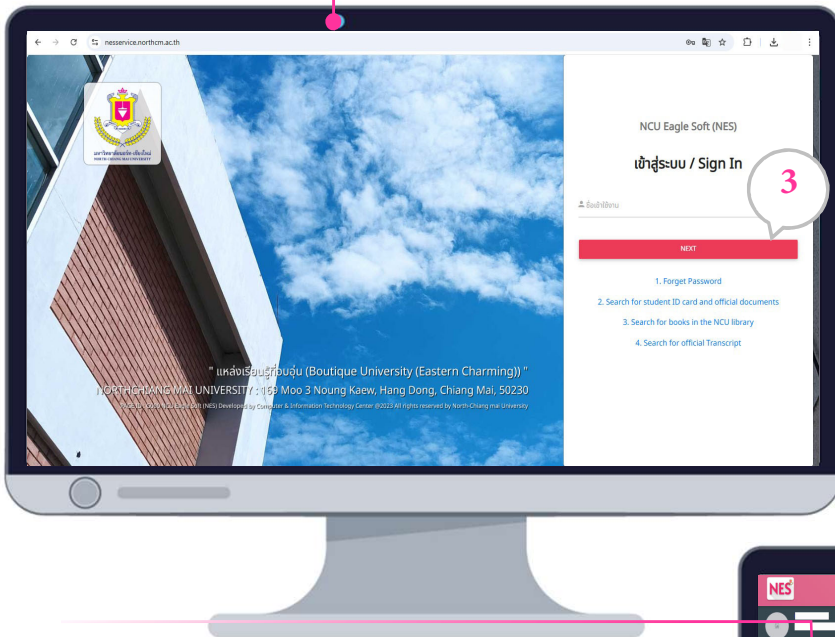

NES Login

Select the "NES for student" option to access the student portal.

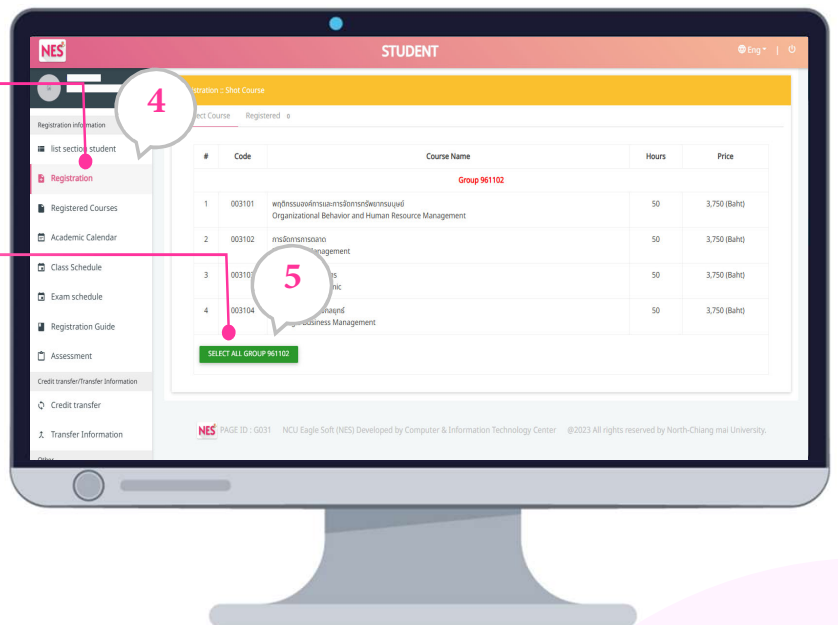

Authentication

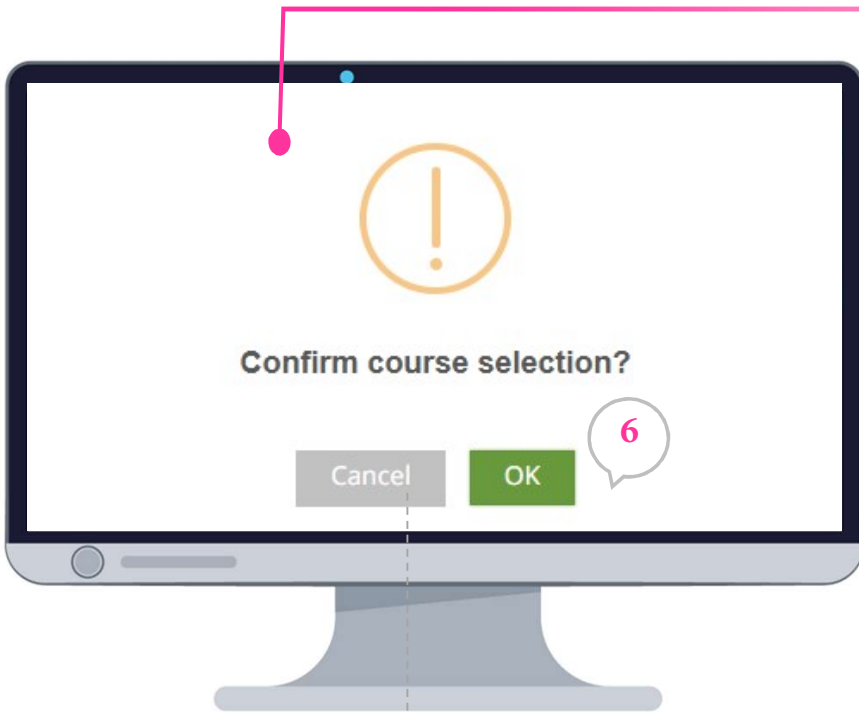

Input your designated "Username" and "Password" to log in.

Click on the "Course Registration" menu.

Please select your subject group

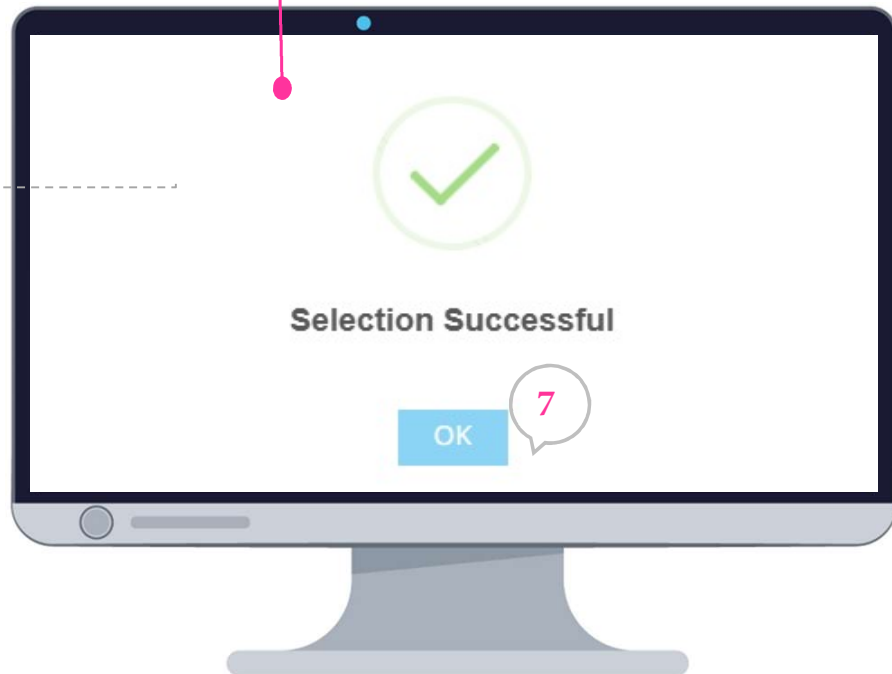

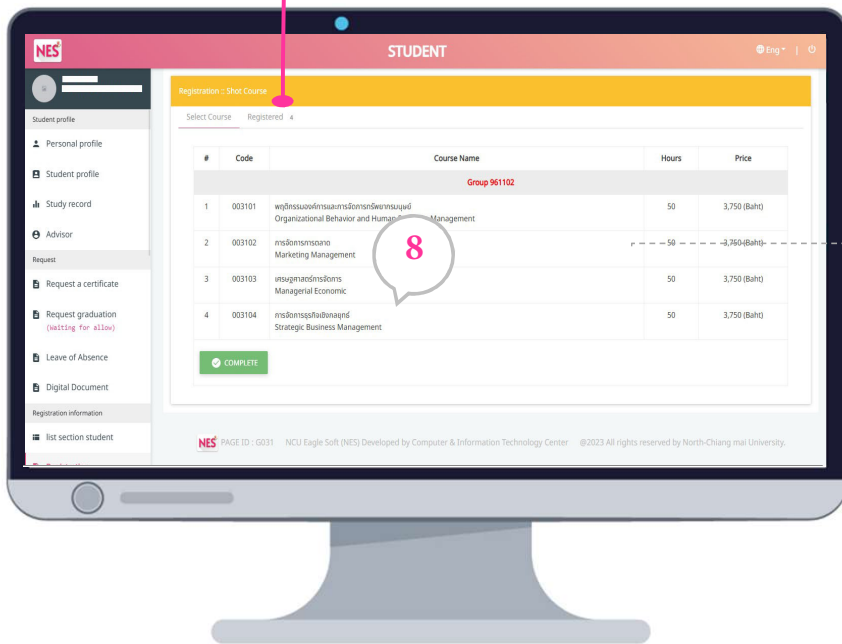

Confirmation of Selection

A prompt reading "Confirm course selection?" will appear to verify your course selection. Click "OK" to proceed.

Successful Selection

A confirmation message "Selection Successful" will indicate that the course selection was successful.

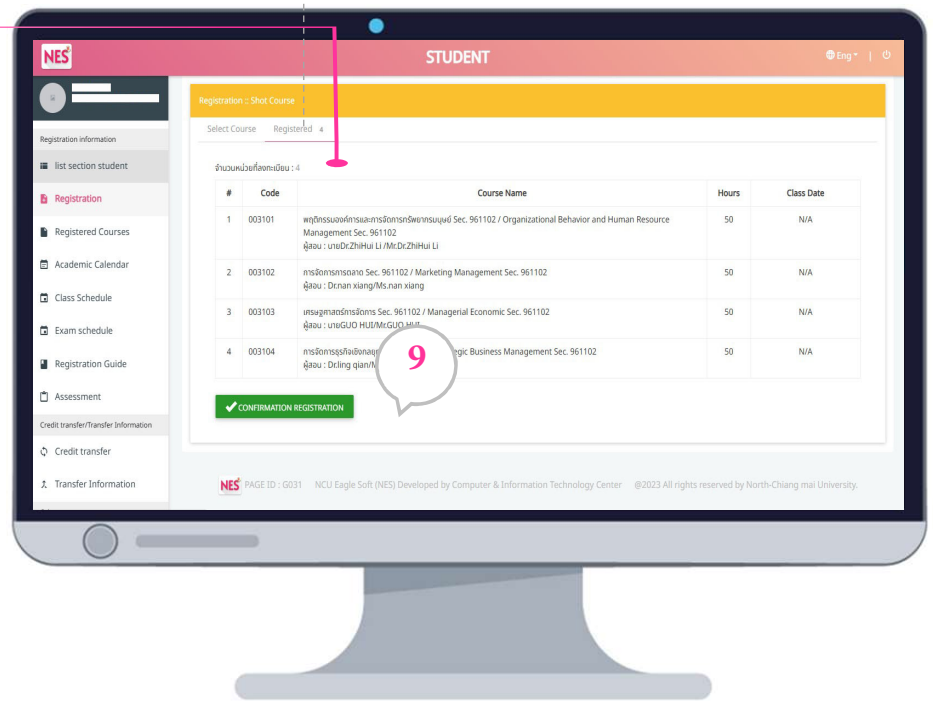

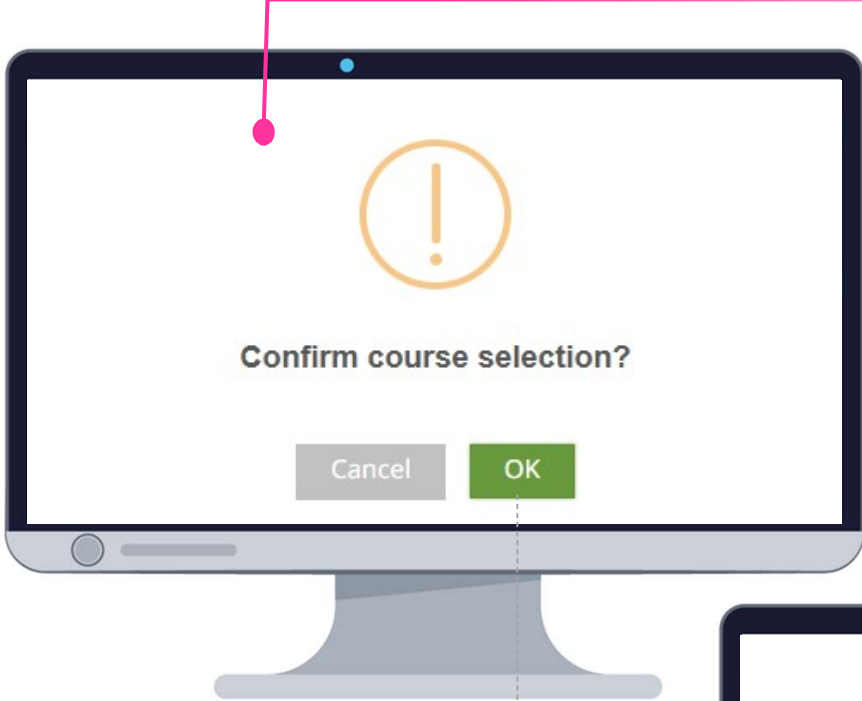

Review your Registration

Navigate to the "Registered" menu to review your course registration list. The system will display the courses you have successfully registered for.

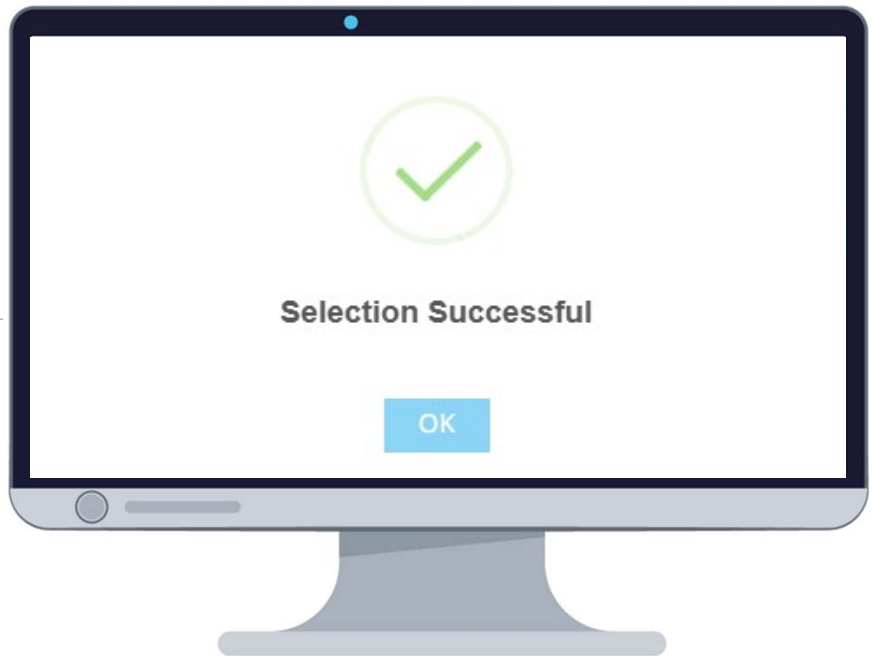

Registration Confirmation

Select the "NES for student" option to access the student portal.

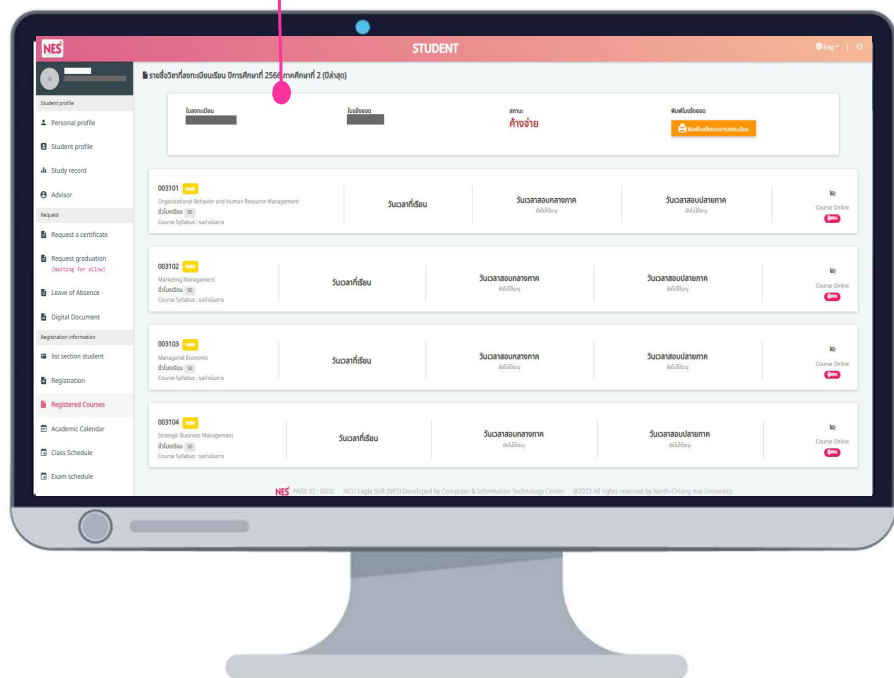

- A confirmation prompt, "confirm registration?" will appear. Click "OK."
- A "Registration Successful" message will be displayed. Click "OK."

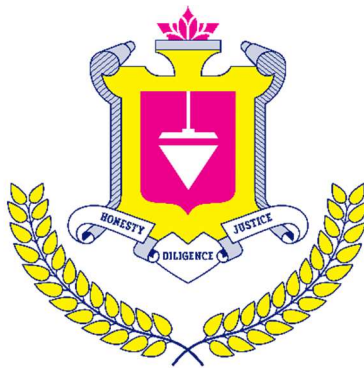

Select the "Recent Course Registration" menu to view a list of your registered courses.

Process Completed.
